Foreword

In selecting the theme for this, the 1960 Pantherama we wanted something to express our feelings toward that year, 1960. Not only should it be a theme but a theme to introduce a book that makes a record of the first school year of a new decade. It must be like a beginning, for in actuality it is just that, for the graduating seniors it means a new outlook on life as they take their places in the adult world. We hope that as you look through this yearbook you will recall many memories that will be an inspiration to you in the years to come. With this we present the Pantherama that "Starts with '60."

Alma Mater

In the heart of our fair valley,
Stands our worthy school;
Where Maroon and Gray mean honor
School of Golden Rule.
Raise your voices
Wake the Echoes
Rosemead values tell,
Hail to thee our Alma Mater
School we love so well.

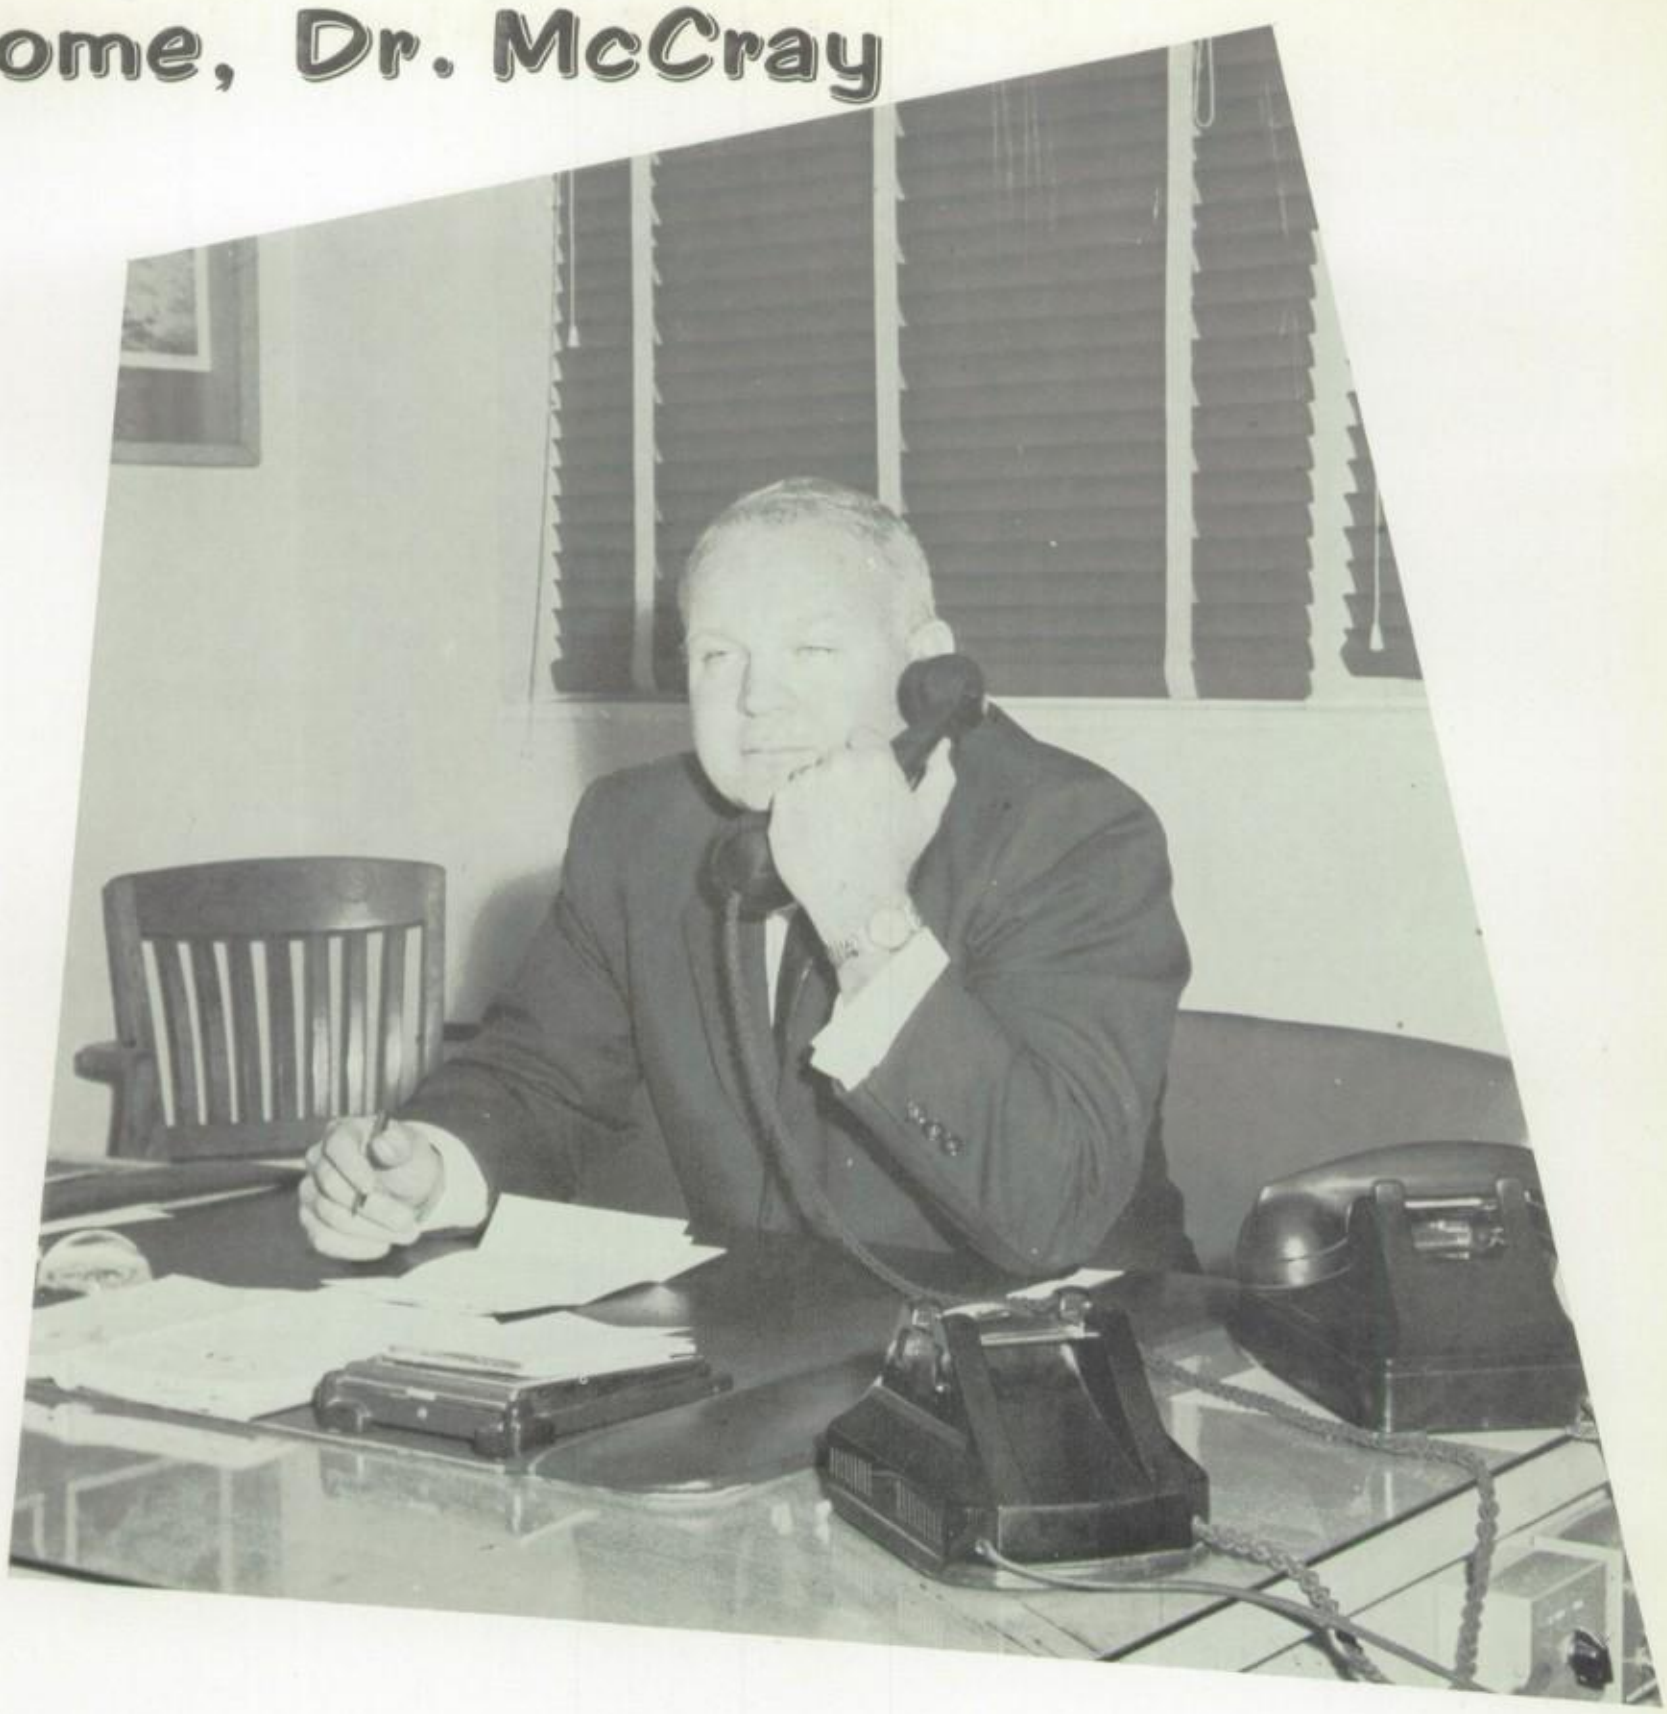
Welcome, Dr. McCray



We, the members of the Pantherama Staff, on behalf of the student body of Rosemead High School, would like to welcome you, Dr. McCray. We'd like to take this time to let you know how happy we are to have you as our new principal.

Although you've been here only a short time, you've already proven to us that you are a great person. You've shown us this not only in your deeds but in your whole attitude toward us, the students. Ever since you arrived you've been working for us and with us in everything you do. You probably don't realize how every little thing you do is noticed and really appreciated but we would like you to know at this time that it is. You've proven to us also how willing you are to help us with our problems. Not only in your office when we bring our problems and compalints to you but nearly every day when you are on campus during the lunch periods. Here you are always glad to talk with everyone.

Dr. McCray, we hope you'll be with us for many years to come, and that we, the students of Rosemead High School, may always have such a friendship with you.

Goodbye, Mr. Bergstrom

George -
It has been

There were only 65 members in the graduating class of 1918 at El Monte High School. Yet, in this sixty-five, at least one of them was destined for great things.

He went on to Pomona College. There he lettered in football, baseball, and track. Later he went on to Claremont Graduate School where he received his Master of Arts Degree in 1939. After graduating from Pomona he returned to El Monte High School as a teacher in September of 1921. He continued his interest in sports as a coach of all athletics, including girls' physical education classes and sports.

Along with teaching he coached the Varsity Football team for twelve years. While he coached, the El Monte team had a record of ten league championships and two second places.

In 1929 he was appointed as a vice-principal of El Monte High School. Four years later he became principal of the night school there. Then in 1937 he was appointed principal of El Monte High School. Finally in 1952, he became superintendent of the El Monte High School District.

He received the National Federation of State High School Athletic Association's Award. He has also received the Helms Foundation Award, in 1958, and a certificate of appreciation from the California Association of Secondary School Administrators, District 16.

To these awards we add that our sincere appreciation goes to Mr. Bergstrom, for his service and understanding to the students, faculties, and residents of the El Monte Union High School District.

Student Service

The Student Service is a voluntary group who give aid to the school by being teachers' secretaries, and helpers in the guidance and attendance and activity offices. A student may become a member of Student Service by signing up for it as a class. Although it does not render letter grades or credit, valuable information is acquired for the future by participating in the Student Service.

Those girls who participated in Student Service were, Row 1: C. Clausen, N. Ross, B. Parnell, N. Bibler, P. Heller, J. Schwartz, F. Jacobsen, L. Hill, A. Mule', P. Wayne, P. Manseau. Row 2: B. Bus Drivers

We have much to thank our bus drivers for. They get many of us to school on time every morning and bring us home safely in the afternoon. These men take turns driving the very useful late bus which takes students home from extra curricular activities on certain days each week at 4:30. Transportation for school field trips is also provided by our bus drivers.

My dear friend George,

It has been oh so pleasant having you in my Geometry class. Your help has benefitted me beyond all words, also your good humor on all occassions. Certainly hope to see you next year. Good Luck

MISS LUCILLE THOMSON
Art

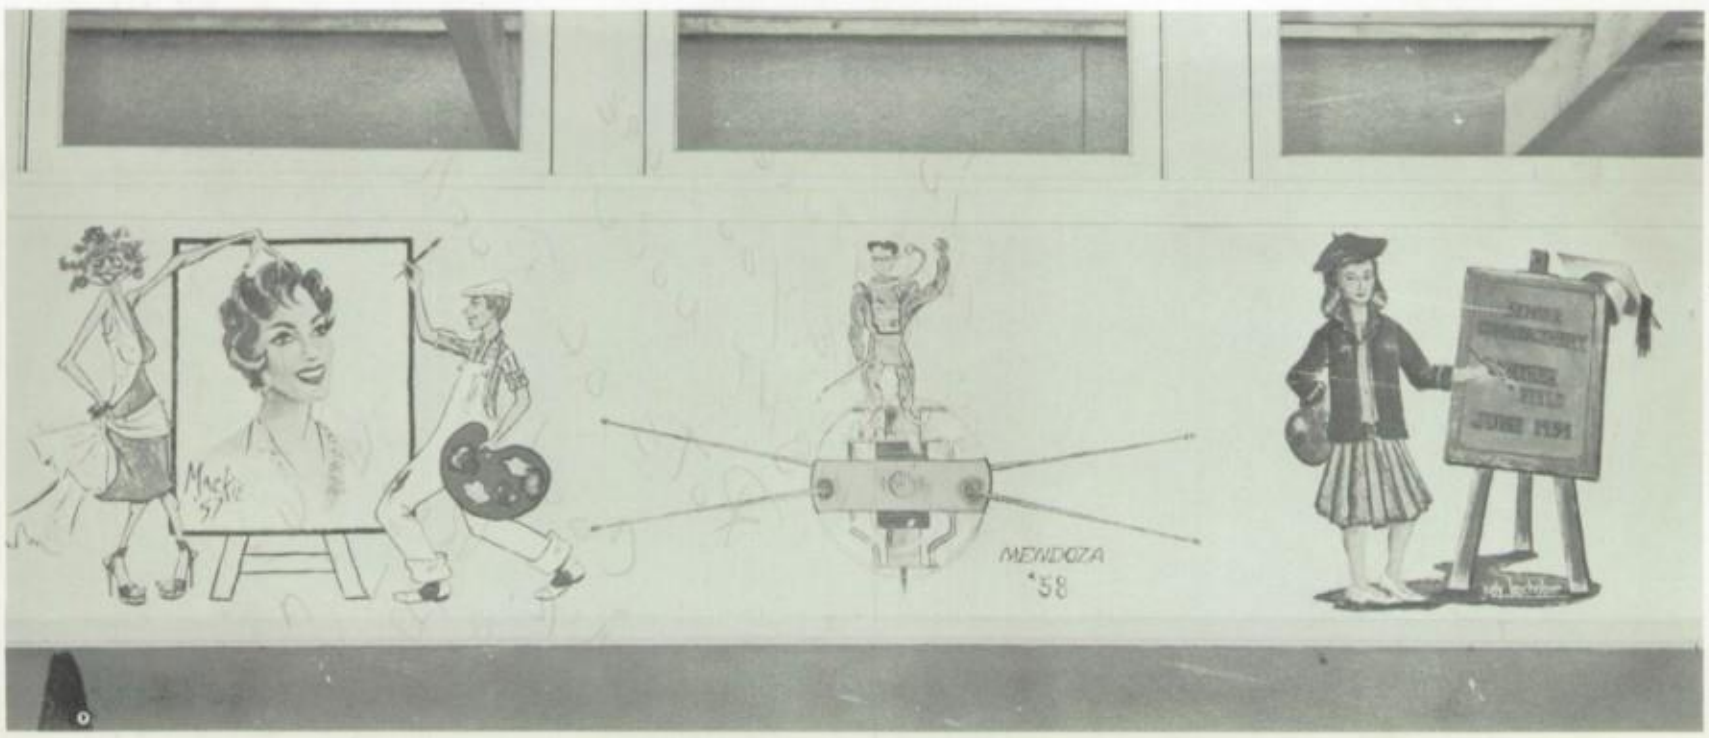
A true concept of art is not just drawing or painting what you see. It is the understanding of form, color arrangement, and line. It is an understanding of the great masters who made art an interpretation of the age in which they lived. These are hard qualifications to fulfill. But, our Art Department, under Mrs. Eva Martin, has done a very commendable job with its students. In an extensive four year program the student becomes acquainted with many phases of art study. Basically the program consists of figure drawing, still life and landscape drawing, design, and poster design.

Besides using the pencil for their art studies, the students become familiar with other different types of media, such as charcoal, water color, and pastels. Through slides, books, and films, a better understanding and appreciation of art and the artist is attained by all art students. Third and fourth year students are able to compete in local poster competition. Each year the most deserving Senior art student paints his farewell picture on the wall in the art room.

Art

Taking time out from their usual routine, these art students make Christmas decorations.

Making posters is also an important phase in the art classes.



The best artist in this year's graduating class will have the privilege of putting his creation on the wall in Room 76, as did these artists in the past.

As a new decade begins, it is usually human-nature to reminisce about the old decade, to look back and realize that not everything you did was a failure. You find that some things were accomplished, and then you wonder about what will happen, and what will be accomplished in the future. Looking back into the "fifties", it is easy for us to think of things achieved by the Foreign Language Department at Rosemead High School. Not many of us will forget our Greek foster child, Marietta, nor our new Korean foster child, Kim Yung Jin, a nine-year old living in an orphanage in South Korea. But this department has spent little time in reminiscence. The teachers have begun to teach students with a new technique—the language laboratory. Of course reading, films, and translation are still a part of class curriculum, but the laboratory has become the most important of the teaching tools. One of the school rooms has had added thirty individual booths with a set of earphones and a microphone in each booth. Each student sits in a separate booth, and by means of the earphones can hear lessons which are piped in from the master console. The student listens to a perfect model and then during a pause repeats what he has heard. By listening, imitating, and repeating he may evaluate his work. Perhaps one of the more important advantages of the language lab is that the student may advance at his own rate of learning. He is not influenced or embarrassed by other students. This department, under the direction of Mrs. Mary McCarron, is definitely prepared for the future.

Members of Foster Parents this year were, Row 1: L. Torres, L. Wire, unidentified, S. King, V. DuPre. Row 2: unidentified, B. Vaughn, T. McManus, P. Baird, B. Cloud, K. Schmidt. Row 3: D. Shibla, unidentified, J. Wall, J. Mercer, Mr. Filiberto Gonzales.

Shorthand

The Business Education Department is one of the most important in our school. The newest and most advanced methods of teaching combined with the latest mechanical aids enables the student to achieve the highest degree of efficiency. To receive a certificate of merit in shorthand a potential secretary must be able to write a minimum of sixty words per minute. In the spring Typing Certificate Tests are given with awards for typing five minutes, averaging thirty-five words or more per minute with a maximum of three errors. After completing a year's training in machine calculation the Burroughs Company offers tests and job opportunities for those who qualify. Local attorneys come to the personal law classes to lecture and the classes also spend one day in the Pasadena Courts to observe legal processes. Bookkeeping, business correspondence, office training, and salesmanship are also offered to give assurance of the best possible training. Civil Service tests are available to any Senior who may qualify for them. Under the guidance of excellent instructors the graduate who has majored in business is qualified to accept many of the positions that may be offered in this field. English

The English Department this year, headed by Mr. Russell Gage, has started something new. In all classes more written essays and compositions were required. Seeing the need for better expression in print, the English Department readily took action. Greater emphasis was placed on accuracy in spelling, also. In the near future the plan will be to bring out more oral work and self expression, along with a new increase in the reading and understanding of great American literature.

Seniors this year took on a greater appreciation of our English language. Out of 403 seniors enrolled in school, approximately 200 took this course. This total does not include the other phases of this department, such as journalism, drama and public speaking. These classes had their ample share of well-informed seniors.

In the journalism classes, taught by Mr. Fred Wilhelm, students learned the art of newspaper work, along with good rules and practical work on the Panther's Tale, Rosemead High School newspaper. In public speaking, those shy students soon learned to be amiable in front of a crowd and learned the methods of good conversation. They also were taught such things as voice control, and were given the opportunity to enter numerous speech contests.

These Juniors in English ponder carefully before answering the teacher's question.

The Homeliving Department plays an important role in preparing anyone taking any one or all of the courses offered for later life. These courses included this year Foods I and II, homeliving, meal planning, Clothes I, II and III. Also offered is home and family living which could be substituted for senior problems when taken during the junior or senior year. Looked forward to each year is the Betty Crocker Homemaker of America Contest open to all senior girls, which tests their domestic abilities. The RHS winner this year was Karen Miller. Department Head was Miss Helen Nelson.

Library Science

The present library collection totals about 10,000 books. Our library subscribes to approximately 70 magazines (or periodicals), to many career monographs and pamphlets. Without the direction of Miss Cosette Anderson, her able assistant, Miss Grace Seward and the help of the students enrolled in Library Science the library could not function in a school this size. Student assistants learn how to use books and libraries more effectively and how to increase their appreciation of books and authors. Library routines are taught through practice work along with the regular study course which includes the study of the physical book, Dewey Decimal Classification, Card Catalogue, Readers' Guide, Dictionary, encyclopedias, and special reference books. The librarians strive to maintain an attractive and a quiet place to study and read, but it takes the whole-hearted cooperation of all the students to accomplish this. Suggestions for the improvement of library service are always welcome.

Many facilities are available to RHS students in their library whether they seek books for enjoyment or for research.

Industrial Arts has become an integral part of general education today. The increasing complexity of our modern society, mechanization, and automation make industrial arts experiences essential for all youth.

Six hundred and ninety-two students, 36.6% of the R.H.S. student body, are enrolled in the Industrial Arts Department, which is designed and organized to enable students to develop those understandings considered basic and fundamental to living in a Space Age society.

Mathematics

Subjects included in the mathematics program this year were the usual courses in lower math in addition to algebra, geometry, and advanced algebra for college prep students. Accelerated classes in geometry and algebra differed this year in that they started during the second semester, whereas last year they were held for two semesters. Advanced algebra, trig, and Introduction to College Math were again offered to advanced students, enabling them to gain valuable knowledge through an added learning tool — a calculator. This machine gives students practice in programming, a valuable skill in the use of electronic computing devises. Attending the annual math field day at Occidental College were interested students from trig and College Math classes.

Early in the school year, both faculty and students were saddened by the sudden and untimely death of Mr. Joseph Riasetto, head of the Science Department for the past eleven years. The position he held was capably filled by Mrs. Leesa Gregson. A wide range of scientific classes were offered in the department this year. These included: general science, life science, physiology, chemistry, physical science and physics. Some biology and chemistry classes were accelerated . Period Zero, composed of chemistry and physics students, made as their immediate goals many contests and competitions for scholarships, while they also engaged in frequent trips to local aviation and atomic energy plants, as well as the annual trips to California Institute of Technology, Pomona College, and the University of Redlands. Two students from biology classes attended classes at the Los Angeles Museum of Natural History. New equipment in the department included a micro-projector, which will project live specimens on screen and thus aid in teaching about microscopic life.

The Social Studies Department, under the direction of Mrs. Margaret Watson, offers a complete course in the following subjects.

In the freshman classes the students were taught a thorough Social Studies course. The studies of smoking, alcohol, narcotics, geography, and driver's education were undergone. An occupational test and a report on the job for which they were best suited was given to each frosh.

The United States History classes trained students in the historical aspects of our country. This study delves into all states, presidents, and wars of the United States. This course effected a greater appreciation for our freedom on those completing this required class.

Seniors taking Civics and Senior Problems received adequate instructions in living in the world of today. They learned how the state and local governments are operated. Co-operation with foreign countries, the rise, reign and fall of the past world powers, as well as the present systems are all studied in World Affairs.

Each semester five awards are given for outstanding service to RHS. These awards go to three seniors, one junior, and one teacher.

To receive such an honor the recipient must have shown outstanding interest in all school activities.

The recipients are chosen by the past two semesters winners, if they are still attending Rosemead High. The names of people known to be giving outstanding service are submitted for consideration. Then by discussion and use of school records this list is narrowed down and finally the five winners are chosen and announced at a special awards assembly held at the end of each semester.

The Judicial Board is a fairly new organization on campus, this being only the second year of its existance. This Board is the judicial branch of the school government, and its main purpose is to interpret the school constitution and to make decisions, as they are necessary, to properly enforce the constitution and by-laws. The Board also sees that eligibility requirements are maintained and enforced.

Headed by Buddy Barker, A.S.B. President, first semester Commission accomplished many things. They installed a permanent ticket booth on Panther Field, and also had the bleachers painted in time for the 1959 football season. Members of Commission made a project of taking pictures of all campus activities that were shown to the student body at an assembly at the end of the year. Also thanks to this Commission we enjoyed music-to-eat-by in the cafeteria at noon.

Second Semester Commission

Presiding over the spring semester commission was President, Don Hofflander. The installation of the second semester commission members was a formal affair held in March at Johnny's No Bone Steak House in Covina. During the semester this commission assisted the clubs on campus during Foreign Exchange Student Week, sponsored Safety Week which was climaxed by a car show and presentation of trophies, and continued work on the Anti-Smoking Campaign. Of interest to the Student Body were commissions plans to build another permanent ticket booth on Panther Field and the beautification of Panther Square.

GERALD SKUPIEN
Speaker of the House

First Semester

The first semester House of Representatives was presided over by Speaker of the House, Gerald Skupien. His other officers were Helga Mueggenburg, secretary; Bob Smiley, parliamentarian; and, Janice McClellan, clerk.

During the first part of this semester the House sponsored the annual clean campus campaign. This campaign continued as a tri-school affair. The competition was between El Monte High School, Arroyo High School, and Rosemead, and continued throughout the entire school year. At regular intervals delegates from each school toured the other schools and graded them.

This House also began a project to have music played during the lunch hours. With the co-operation of a local music store this event was most successful. Each club on campus had its members take turns as disc jockey for one week periods.

They also made preparations for a special day to be held later in the school year.

Second Semester

In this past Spring semester the House of Representatives was kept constantly busy with the ideas and business brought forth by the student body through their representatives. Led by the Speaker of the House, Connie Ensign, the House established a Hall of Fame Board for recognition of outstanding achievement by graduates and faculty in memory of Mr. Riassetto. A great deal was accomplished on our foreign exchange student project, which is also a community project. To keep the students informed about the progress of our foreign exchange student, the House had extra events. They also were visited by a panel representing another local high school, which has been sponsoring two foreign exchange students during the past year. The House sponsored a Safety Week which was held in May, and they co-sponsored the annual Anti-Smoking Campaign with the second semester Commission.

Every year the Girls' League sponsors the Thanksgiving Dance, this year was no exception. They sponsored the Wish-Bone Wiggle, which was backwards. At Christmas-time the Girls' League Council gave a food basket to a needy family, and decorated a Christmas tree in the school foyer.

In February the Girls' League sponsored a "Female Express Day". Awards were given to the boy with the largest harem and to the boy whose harem wore the most original outfits. The proceeds went towards our foreign exchange student project f u n d. The Girls' League also sponsored the annual Mother-Daughter Banquet in May.

Calendar of Events

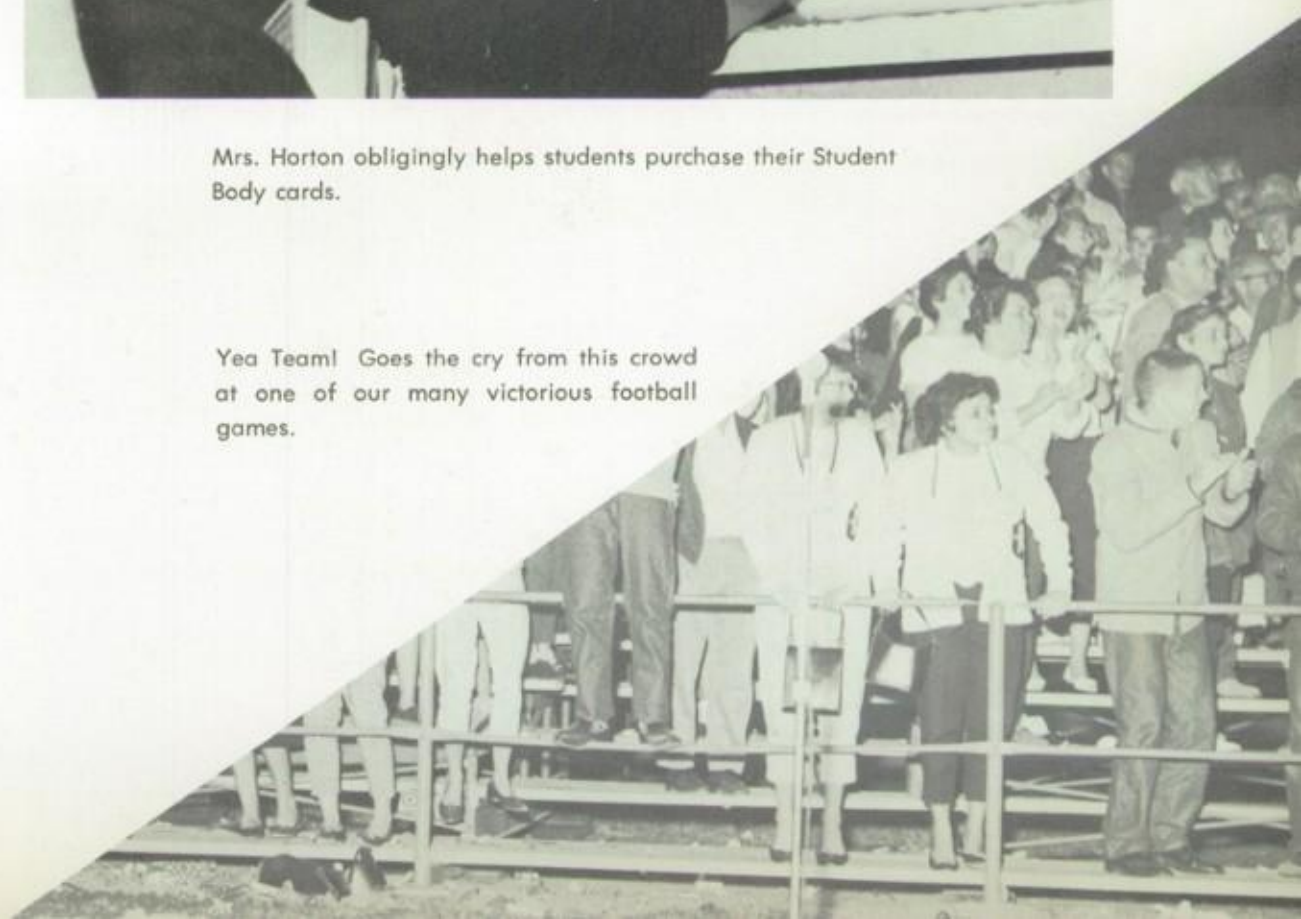
Students joyfully come to school at 8:40, after a long bus ride.

At the Howdy Hop, dubbed "Rhythm 'n Chopsticks," boys and girls got acquainted.

Mrs. Horton obligingly helps students purchase their Student Body cards.

Several special events highlighted the first semester of the school year, 1959-1960. During the first week of school, Associated Student Body cards went on sale with "coolie" hats given to the first four hundred and fifty purchasers. There was also a terrific get-acquainted dance at the end of that week, entitled "Rhythm 'n Chopsticks." Through the football season we had many pep rallies which exhibited the enthusiastic spirit the students had due to the success of our winning Varsity team. Then as the season drew to a close we had our annual Homecoming Dance made even more exciting because of our defeat of San Gabriel in the Homecoming game. Starting our Thanksgiving vacation off with a bang was the annual backwards dance called the "Wishbone Wiggle" sponsored by the Girls' League.

Yea Team! Goes the cry from this crowd at one of our many victorious football games.



"Dreamy" is the word for this scene as couples danced at the Wishbone Wiggle.

Students found it necessary to come here many times during the year for supplies, tickets, and many types of orders.

Mistress of Ceremonies, Connie Ensign looks on as Mr. Mauk receives plaque for work done in Variety Show.

On the 11th of December was the Variety Show where many of the clubs entered acts. At this Variety Show, themed "Dreamsville," trophies were won by Orchesis, Hi-Y, Sagaths, and Spinsters. The day before Christmas vacation was the annual Winter Ball, "December Dreams," the only all-school formal dance of the year. The beginning of Christmas vacation also marked the end of the booming Pantherama sales leaving everyone in great anticipation of receiving their annuals in June. The end of the semester saw everyone caught up in the whirl of excitement of election-time, and cramming for final exams.

Many Alumni are seen among these couples at the annual Homecoming Dance.

Calendar of Events

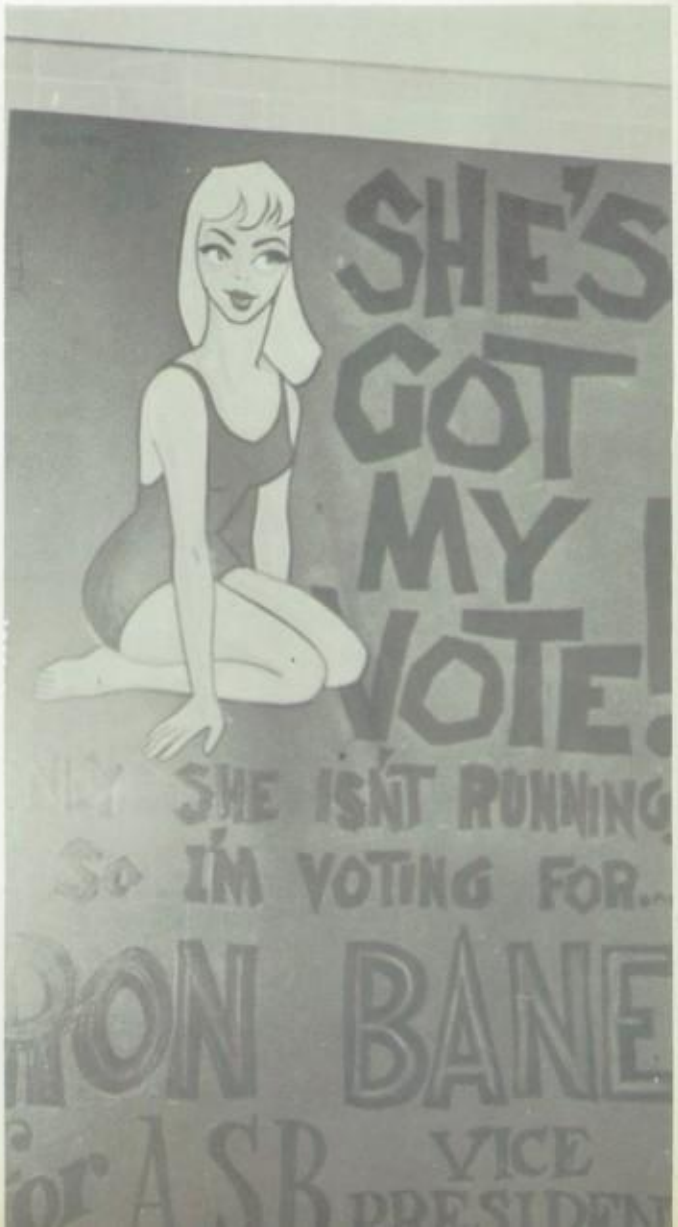
During December, Rosemead students attended the Winter Ball and the Varsity-Alumni Basketball game. In January, election-time was filled with eager school spirit as more students than ever competed for A.S.B. offices. During February, RHS students danced at the Valentine's Dance, watched the Donkey Basketball Game, and participated, through clubs, in the Foreign Exchange Student Week. Fee-Male Express Day, and the Pantheresses-Sagaths Basketball Game high-lighted March.

These couples danced in the atmosphere of the music provided by The Tempos at the Winter Ball.

During All-Nations Week, Pantheresses sold votes for "Mr. Ugly."

The result of Cupid's hard work could be observed at the annual Valentine's dance, Cupid's Holiday.

One of the many colorful posters displayed during campaigning showed the high school spirit during election time.



In April, over 500 people attended the All-School Play, and the girls' clubs enjoyed the Girls' Clubs Potluck. In May, the Junior-Senior Prom was an exciting evening especially for Prom Queen Dolores Pugliese, and Princess Barbara Harmon, Kathy Killackey, Irene Lasswell, and Helga Mueggenburg. The Spring Sing, also in May, was presented by Miss Kleekamp and the Music Department. June was both happy and sad for Seniors as they attended the Dinner-Dance, Baccalaureate, Graduation, and the All-Night Party. Memories were revived as the 1960 Pantherama was distributed on June 10th.

Upper. These athletes stand in line for their awards at the Annual Awards Banquet, April 5, 1960.
Lower. Practicing for their starring roles in the Spring Sing, in April, are Ronald Brown, Paul Lasswell, Louise Croteau, and Doug Smith.

It was man against beast as the Sophomores defeated the Freshmen and the Juniors to win the Donkey Basketball game.

Sagaths defend their lead, but the Pantheresses went on to win in the Annual Pantheresses-Sagaths Basketball game on March 25.

Assemblies of

Bee Cheerleaders lead a well-known yell at a pep assembly.

Two of the groups participating in the Thanksgiving assembly were the A Cappella Choir and Speech I class.

A Cappella Choir and the Lyric Club combined forces in the inspiring Christmas assembly.

Efforts of the Drama and Music Departments resulted in a very fine Christmas assembly.

During the year Rosemead Panthers have had the enjoyment of many outstanding assemblies. These included the three pep assemblies that were held on Panther Field during the football season. Later in the semester through the combined efforts of the Drama and the Music Departments we were presented with a very fine Thanksgiving assembly and a very fine Christmas assembly. Key Club was responsible for an assembly in February. Of educational value was the interesting assembly entitled "Congo Conquest." There was also the annual Girls' League assembly. Certainly not the least were the much-looked-forward-to three awards assemblies.

The Year

A panel composed of two RHS students, two foreign exchange students and a moderator, discuss various aspects of the Foreign Exchange Student Program in an assembly.

This candidate for student body president in the mid-year campaign assembly uses visual aids very effectively in his speech.

The 10th anniversary of R.H.S. Homecomings was fittingly climaxed November 13, 1959 by a thrilling victory over the San Gabriel Matadors. Half-time activities included the traditional Homecoming Parade of club floats around Panther Field. Judged the best float was the one submitted by Key Club. Also during half-time was the thrilling moment when the Homecoming Queen and court were crowned. Following the game the Homecoming Dance, titled "School Daze," with music provided by the Ardendale Jazz Sextet was held in the gym. Many old acquaintances were renewed as students and alumni enjoyed this dance which was sponsored by Spinsters.

This formal dance, December Dreams with holiday decorations of green and white Christmas trees was co-sponsored by Sagaths and Vasity Club. Crowning of the royal couple, Queen Ruth Ellen and King Joe, was the climax of a wonderful evening of dancing to the music played by the Tempos. Some of past years' Winter Ball royalty have been: 1957, Carol Spano and Dick Morris; 1958, Joanne Morris and Ron Argo.

Wishbone Wiggle

Wishbone Wiggle Couple, Jim Grice and Corine Thompson.

The girls' only chance to ask their favorite fellows to a dance this year came on November 25, when the Girls' League sponsored their annual Thanksgiving Dance. The "Wishbone Wiggle" was held in our gym from 8:00-11:00 p.m. with music supplied by The Continentals. The couples attending participated in several novelty dances including the Bunny Hop and the Mexican Hat Dance. The Wishbone Wiggle Couple was: Senior, Jim Grice and Sophomore, Corine Thompson.

Cupid's Holiday

Storybook Park in Alhambra was the scene of this year's Valentine Dance on February 13, 1960. One hundred and seventy-four couples attended and danced to the dreamy music of The Tempos. Cupid's Holiday, as the dance was called, was co-sponsored by Pantheresses and Hi-Y. The climax of the evening was the drawing to determine Cupid's Couple who were Judy Griswold and Richard Mitchell.

Chosen as Cupid's Couple at the Cupid's Holiday dance were Judy Griswold and Richard Mitchel.

Drama and Music

Outstanding Drama Students

Connie Ensign

Each year the Drama Department selects two students who, during their years at Rosemead High School, have displayed outstanding interest and enthusiasm by participation in our drama productions. In choosing the winners, this year, Connie Ensign and Doug Smith, special consideration was given, not necessarily to acting ability, but to interest in many of the behind-the-scenes tasks so necessary to a dramatic production, such as direction and publicity.

Doug Smith

Variety Show . . .

These were three of the trophies given to the winners in different categories of the Variety Show.

This is the act with which the Sunbeams won an award as the best curtain-act.

Orchesis proudly exclaim over the trophy they have just won for Sportsmanship.

The tenth annual Variety Show, "Dreamsville", presented at the El Monte District Auditorium on December 11, 1959, was a huge success. Over 150 RHS students participated in the show in one of the many club or vocal group acts. "Dreamsville" was sponsored by National Thespians under the direction of Mr. Ernest Mauk and members Connie Ensign and Doug Smith acted as masters of ceremony. The evening's entertainment reached its climax with the presentation of the well-deserved trophies. Recipients of these awards were: Sportsmanship, Orchesis; Theme, Spinsters; Originality, Sagaths; and Humor, Hi-Y.

All-School Play

"Egads!! She's had the bonds in that confounded bear all the time!"

"Don't you people ever read the paper??"

Presented this year as the 11th annual All-School Play was, "The Curious Savage." It was the first school production directed by the new drama instructor, Mr. Lee Blattner. All who attended the play, held the night of April 1, thought as did Connie Ensign, production stage manager, that it was "fabulous." The play tells the story of Mrs. Savage, a widow, who is sent to a "rest home" (insane asylum) by her three devoted children after Mrs. S takes $100,000,000 out of the Savage Estate for her "own purposes." The youngsters think she might be mentally unbalanced. This rollicking farce continues as the children try to get the money back.

Those in the cast were: Mrs. Savage, Sandi Jackson: her three children — Lilly Bell, Kris Gabrielson; Samuel, Mike DeCarbo; and Titus, Buddy Barker. Guests with Mrs. S were: Fairy May, Bonita Flowers; Florence, Donna Sisley; Feff, Tom Akers; Miss Willie, Dolly Snelling; Mrs. Paddy, Donna Perkins; and Hannibal, Lowell Huddleston. Emmet was played by Doug Smith. Peter Aschwanden, school artist, successfully designed programs and posters seen around campus prior to presentation of the play.

Busily working to choose stories for the Pen-Opsis, are these three hard-working members of the staff.

Now that the Pen-Opsis, Rosemead's literary magazine, has been published, Editor Kip Whitefield has realized his desire to have a better magazine than any in Rosemead's history.

Traditionally, work began, by the staff, planning and making layouts in January. Selling for 50c, this thirty-six, to forty page magazine is filled with short stories, essays, poetry, artwork, and photography submitted by students. It is the job of the staff to judge all entries, award honors as deserved, to meet the four major deadlines set by the publishing company, and finally, in May, to distribute the Pen-Opsis.

One function of the business staff is to keep records of payments of students purchasing Pantheramas.

Now that the most anticipated school publication has come out, the staff can "rest-in-peace."

With the start of the school year came the task of planning and organizing the book, traditionally done by the editor, who this year was Judy Todtman. Nadelle Wilson, her assistant, will move into the top position next year.

The staff chose the theme, cover design and color, and dedication in September.

"Starting with 60" became a major project through the first, second, and third quarters of the school year.

There were layouts to be made, copy and picture assignments to be filled out. Final preparations toward completion of the book included actual writing of copy, taking and cropping of pictures, and holding of the Pantherama Queen Contest. As these tasks were completed the book was submitted at four different times to the publisher. Mrs. Jeannette Gabel, editorial advisor, was an indispensable member of the staff.

Keeping the records and supervising the sales and distribution of the Pantheramas was done by the business staff, under the advisorship of Mr. Robert Shaw.

Panther's Tale staff members worked diligently to keep up the paper's good ratings.

Serving as the first editor of the Panther's Tale to ever hold that position for three consecutive quarters was Linda Berry. Mickey Brunson ably took over as editor for the fourth quarter, becoming the first junior ever to be editor. All during the year there were many deadlines to be met, pictures to be scheduled and taken, and copy to be written. During the first semester the Panther's Tale received a second class rating from the National Scholastic Press Association. Our Panther's Tale, a bi-weekly newspaper, received reinforcements for the second semester in the form of many Journalism I students. Some of these unacknowledged workers not pictured on this page were: Pat Amend, Audrey Hansen, Dan Koger, Sue Mosher, Linda O'Toole, Judy Shoff, and Rick Yamamoto.

The Panther's Tale Editorial staff consisted of, Row 1: Mr. Wilhelm, M. Brunson, L. Hoffman, D. Vienna, L. Berry, J. Matsdorf, M. Middleton. Row 2: P. Aschwanden, D. Donaldson, P. Gomez, T. McElligott, D. Igl, K. Call, P. Wilkerson.

For the Variety Show, Campus Christians did a pantomine of Stan Freberg's record, "Green Christmas," which showed how commercialized Christmas had become. This year's appearance was the first the club has ever made in a Variety Show. Doing a wonderful job as club sponsor was Mr. Carter Dennis.

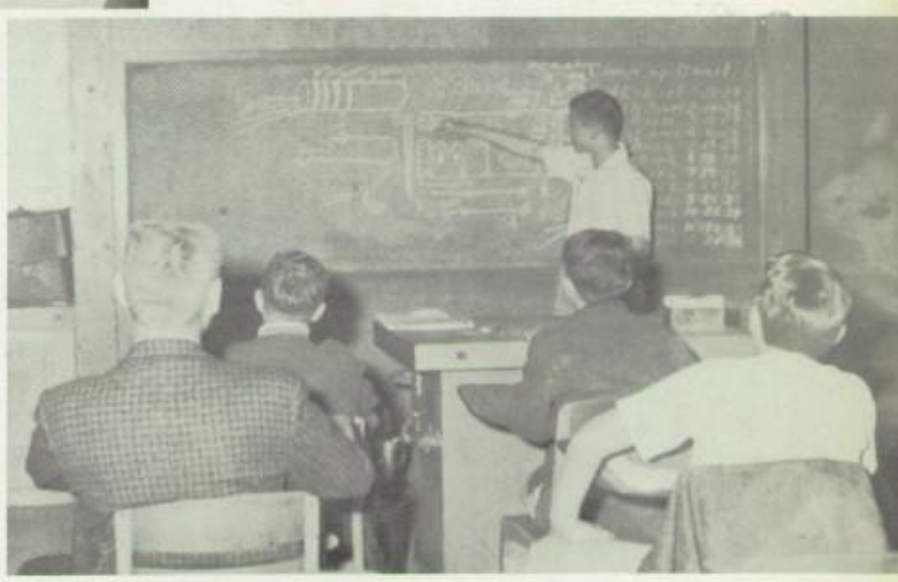
Radio Club

Radio Club, though being in existence only two years here at school, has been very active. Students probably know the club as the one which sponsored the showing of the Mr. Magoo cartoons and other films about things such as cars, electronics during the lunch periods. Also of much enjoyment to the student body was the playing of records during lunch. They boys studied electronics and its relationship to radio and television; how they operate, are made, and how they are repaired. At the time of this writing Radio Club was trying to obtain a Ham Operator's License for RHS. This license requires much effort to obtain and is held in high regard by those who have one. Doing an excellent job as club sponsor was Mr. David Berry.



The rest of the Radio Club look on while one member explains an electronics principle.

This year the RHS Hi-Y, sponsored by Mr. Donald Fox, held their weekly meetings in Room 92 on Thursday mornings. Under the leadership of both semester presidents, Earl Durham and Rod Schreckler, the boys did such things as selling programs at football games and participating in the clean campus campaigns. They also co-sponsored the Cupid's Capers, the annual Valentines dance in February.

The club is divided into two chapters: Alpha and Beta. The office of mayor was held by Sherry Hammoch (Alpha) and Barbara Caplette (Beta) first semester, and Pat Murphy (Alpha) and Dorella Frye (Beta) second semester. The purpose of JSA is to develop interest in better government.

Members of Key Club take time out from their usual club meeting to share a joke.

Key Club

The Key Club has been especially active this year. They started off the year by combining with Hi-Y and selling programs at the football games. Every Thursday afternoon they sent two bowling teams to the league games in bowling. Also on Thursdays two boys attended meetings of the local Kiwanis Club. Each year the RHS Key Club takes several field trips to local industry and tour their premises. In April Key Club sponsored their annual scholarship drive in which the boys go door to door asking for donations to enable them to attain their goal of $500. This money is given a qualified Senior who has been selected by the counselors and the Parent Teachers Association Board.

The clubs first and second semester presidents were Julie Bowman, and Irene Lasswell, and the sponsors were Mrs. Tackett and Mrs. Zide. During "All Nations Week" Orchesis sold chances for a jelly bean guessing contest in order to earn money fo rthe foreign exchange students which we hope to have here next year. The winner of this contest received

Each year Pantheresses is one of the more active clubs on campus. First semester president was Darlene Rowe and for second semester it was Joyce Meek. Among the club's activities is the selling of candied apples each year to which they added this year the giving of baskets to needy families at Thanksgiving, Christmas, and Easter, presenting an act entitled "Essay" in the Variety Show in December, serving at the faculty Christmas party. As if these wouldn't have made them busy enough, Pantheresses also decorated for the awards banquet, held a contest to find "Mr. Ugly" from which they donated $12.87 to the Foreign Student Fund, co-sponsored the Valentine's Dance "Cupid's Capers" with Hi-Y, and played in the annual Pantheresses-Sagaths Basketball game in March.

Pepperettes raise their hands to participate in active discussion of a club problem.

Having a membership roster of one hundred girls makes Pepperettes, the newly-formed girls' pep club, the largest club on campus. Their first semester president was Barb Vander Heyden who did much to organize the club, while Libby Wire was president during the spring semester. Some of the many activities the Pepperettes participated in this year included the community Halloween Parade in October, supplying card sections for the football games and pom pom sections for the basketball games and publicity for both football and basketball games. For their project during Foreign Exchange Student Week in February, Pepperettes sold popcorn balls and were able to donate $15.45 to the fund. Sponsor of the club was Mr. Bill Gallagher.

Sagaths, a girls' service club made up of Sophomores, Juniors, and Seniors, participated in a variety of activities this year under the leadership of their first and second semester presidents Marianne Oram and Robbie Roberts. During the year they sold rooter buttons all through the football season, in December they combined with the Varsity Club to present the annual Winter Ball. At Thanksgiving and at Christmas Sagaths served their community by donating food baskets to needy families. For their act, "The Greek Muses", the girls won the trophy for originality in the Variety Show, December 11th. To raise money for the Foreign Exchange Student Fund and also for their treasury Sagaths successfully sold See's suckers. Advanced Spanish Club members hold one of their regular weekly meetings.

The Spinsters are not a group of old ladies that sit around and knit, as the name is likely to infer. On the contrary, they are a group of ambitious girls who compose one of the most active clubs on campus. Activities in the hectic schedule of these girls this year included supplying food baskets to needy families, entering floats in the Halloween and Homecoming parades, sponsoring the Homecoming Dance, and presenting an act in the Variety Show, "Toyland", for which Spinsters won the Theme Trophy.

Thespians

Few people realize that no play in the history of Rosemead could have been produced without our Thespians. They sponsor all the drama productions and supply full stage crews for them. They also have much to do with the direction of many plays at RHS. This year they sold rooter buttons and ribbons for their money-making projects. They put on an award winning play, entitled "Ladies of the Mop". They produced the ninth annual Variety Show, Dreamsville, at the El Monte District Auditorium, December 11, 1959. The president this year was Connie Ensign.

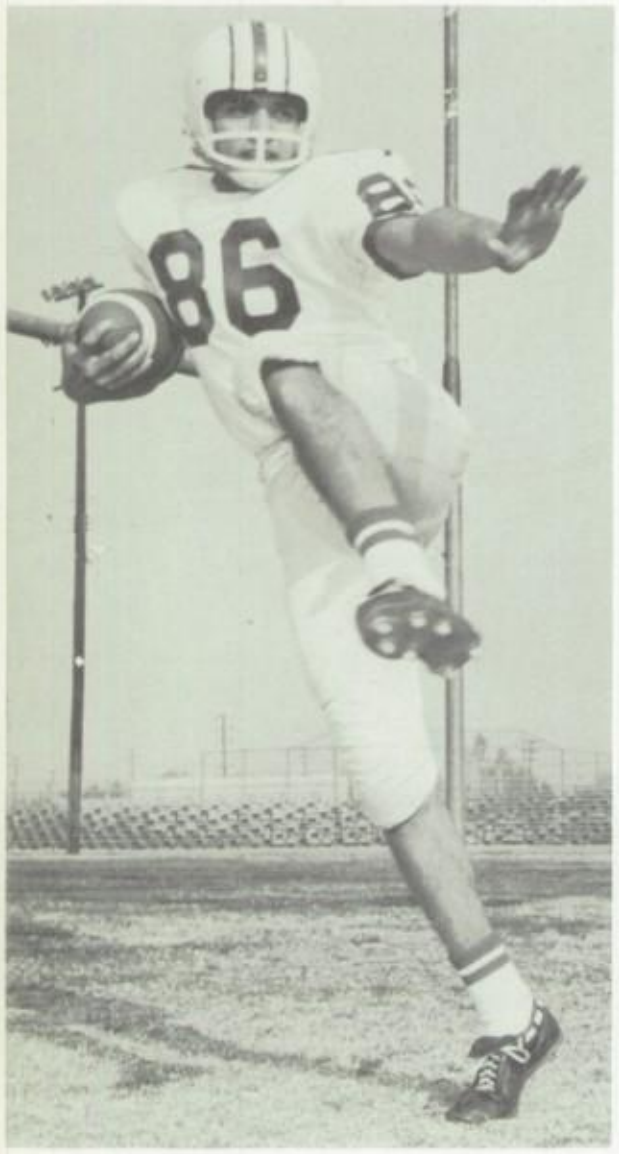
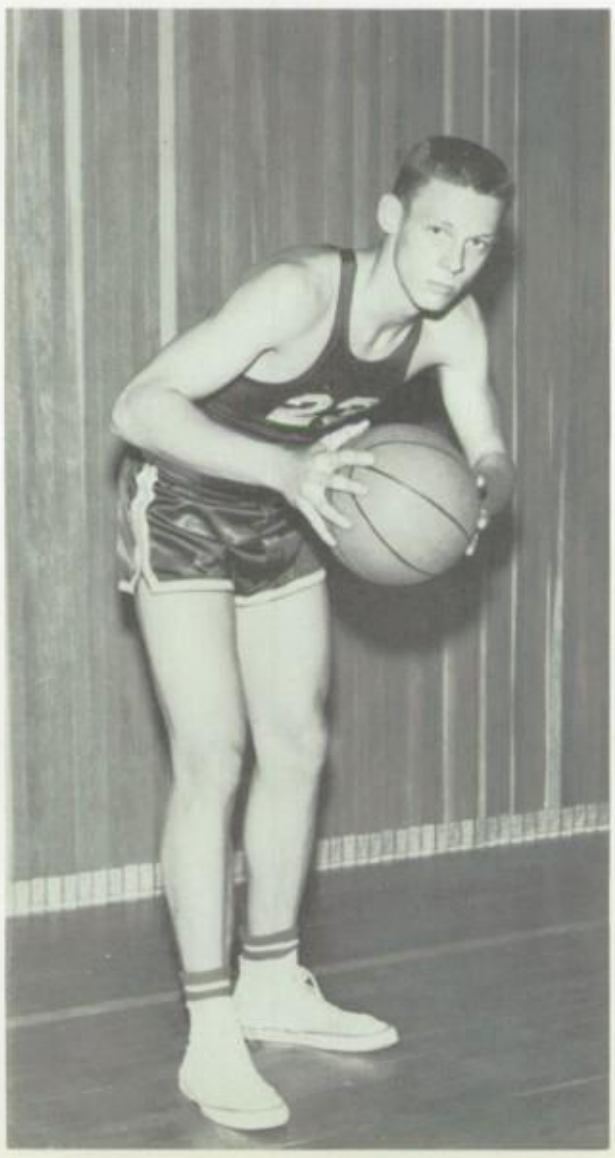
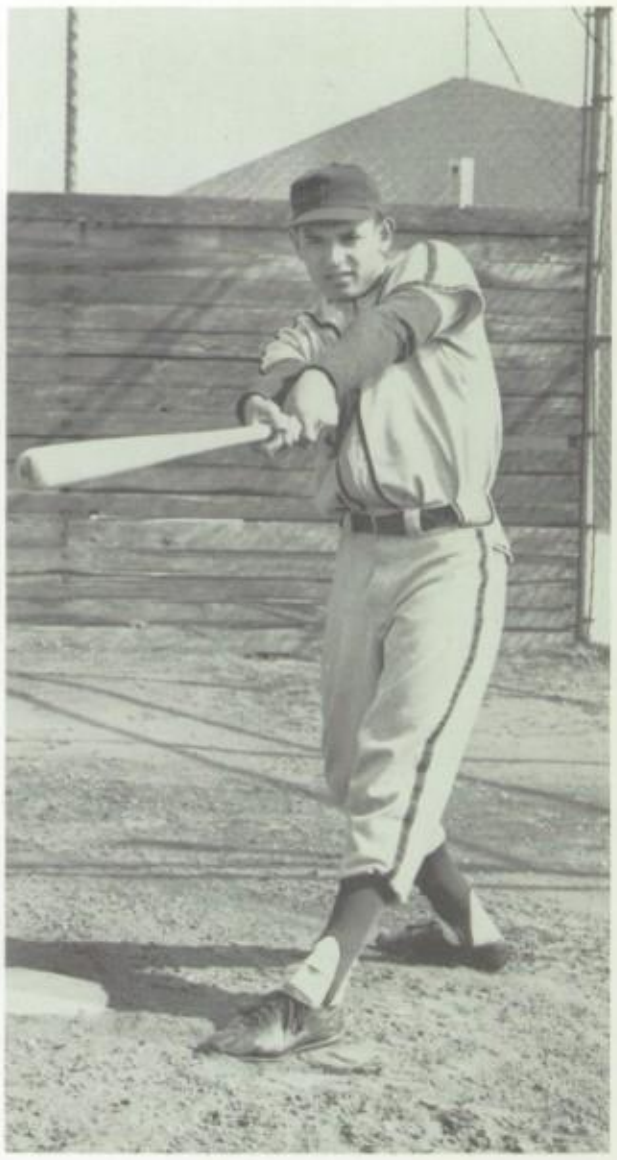
Outstanding Athletes



The outstanding football player this year, Joe Cortez, senior, became the first Rosemead High football player to be honored by the C.I.F., being named to the third team. Joe gained 1058 yards rushing and passing this year. He was also honored on the All-District, All-League, and All San Gabriel Valley teams. He was the Most Valuable Player last year and again this year. He was also selected captain of his Varsity Football team.

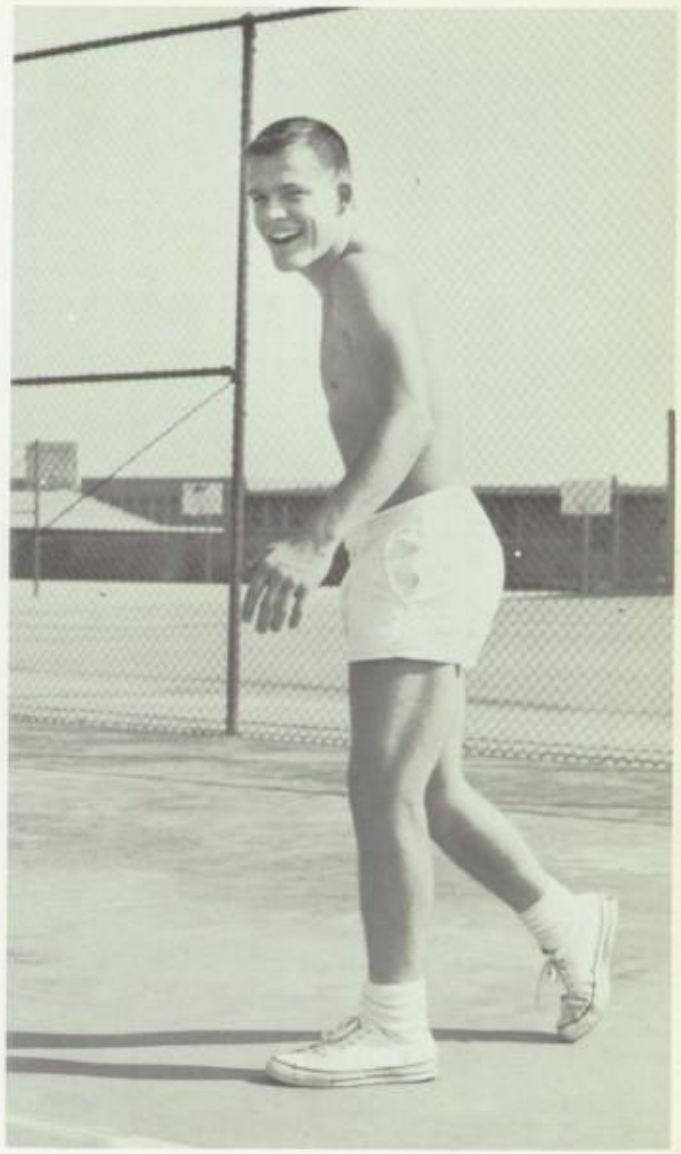
Senior, Buddy Barker, outstanding basketball player, paced the Panther cagers in scoring an average of 15 points per game in league play during the 1959-1960 season. He was chosen to be on the All-League first team honored at the Temple City Tournament. This year's Varsity Captain, Buddy, was also named to the All-San Gabriel Valley second team.





Joe Cortez, senior and four year Varsity letterman, has been selected as outstanding baseball player. Joe played short stop and also was a very good pitcher for 1960. At the time of this writing he was leading his team mates in batting, having hit home runs in three consecutive games. Joe is indeed a good college prospect, being Varsity Baseball captain.

Dennis McDonald, senior and outstanding tennis player this year, was the first man on the Varsity Tennis Squad. He was exceptional as both a singles and doubles man. Dennis is a two year Varsity letterman. The Varsity team was a strong contender for the league championship.



Jeff Heubner, Outstanding Trackman this year, has been out for track all of his four years at Rosemead. This year he was Captain of the champion Panther Bee Track Team. Jeff's best times this year were 13.6 seconds in the 220 yard low hurdles, 9.0 flat in the 70 yard high hurdles, and 6'1" in the high jump.

Terry McElligott is a three year Varsity letterman and this is the second year that he has been chosen Outstanding Swimmer. Terry was undefeated in High School competition, only to be defeated at the C.I.F. finals, where he placed fourth and fifth. Terry also placed first at the Junior Olympics, and finshed third fastest, in his age group, at the Yukon. He is an outstanding candidate for this year's High School All-American.

Dave Meyer, outstanding wrestler this year, was defeated only once during the duel meets of the Varsity Wrestling team. The team's highest scorer, Dave, a Junior, placed sixth at the league finals. He was unanimously chosen Captain for next year's team.

Varsity Football under the direction of Coach Jim Ellis went through league play losing only one game, and that one to Arroyo, by a score of 20-6. Arroyo went on to win the league championship closely followed by the Panthers who tied with the San Gabriel Matadors. Leading the Panthers throughout the season was Joe Cortez, line quarterback, gaining yards running and passing. Cortez was selected from the Rosemead squad for the All-Sierra League first team, the All-District first team, All-San Gabriel Valley squad, and for third string All-C.I.F.

Under the guidance of Coach Bill Sims, this year, the Panther Varsity captured a tie for third place. They share this place with Sierra. The Panthers were only topped by Glendora and Arroyo.

The game in which the cagers showed their greatest sportsmanship and met a good match was the second league game, with Azusa. This battle led to overtime with the Panthers winning.

The top men leading the Varsity Cagers to their 5-5 record this year were: Dennis McDonald, Phil Liddell, Doug Ludolph. Buddy Barker, the Panther captain, had the honor of being on the first All-Sierra League team. Buddy also was on the All-San Gabriel Valley second team. Gerald Barnes was the team's top shot put man. Clair Gubler, this year's Captain, ran the 100, and the 440 and was also on the relay team. Other good Panther trackmen, Marshall Hernandez and Pavo Siitam, ran the mile. Mike Lovera was the top pole vaulter on the team this year. This gave the tracksters a good outlook for the 1960 season. After this victory it is expected that the Bees will take league honors.

Others already played before April 5: Arcadia 47—Rosemead 48; Montebello 70—Rosemead 25; and El Rancho 40—Rosemead 50. All told Rosemead has won three out of four meets.

The expected top men this year are Captain Jeff Hubner in field events and hurdles. Pete Roybal in sprints, and Frank Acosta for the 660 and the pole vault.

The Panthers are in a good spot now and hope to be able to maintain their standings.

Cross-Country is a distance run of 1.8 miles. The course is made up of 2 trips around the park, back on the school grounds to the practice football field, and down the track to the finish line.

The season consists of 3 practice meets and 5 league meets. This year Rosemead's Varsity squad took 5th place after losing the top five runners last year. They now are in a building program to bring up the high standards that Mr. Tapp appreciates.

Out of all the boys that try out for Cross-Country, anybody is eligible for Varsity if he can run fast enough to make the 7 fastest boys. During the year any boy on the J.V. squad who proves to be better than any boy on the Varsity squad can move up and take a place on the Varsity and try for a letter.

Coach Don Gambril's Varsity Swimming team ended up the dual meet season with an 11-3 record. They were undefeated in the league. They brought the school its first Varsity Swimming Championship. At the time of this publication the team was still looking forward to the climax of the season. Several swimmers are slated for all-league honors and at least two for C.I.F. recognition. Terry McElligott and Nick Kirby led the team during the season. In fourteen meets McElligott was defeated only once and this at the hands of the C.I.F. champion and record holder. Kirby was undefeated. Other outstanding Varsity Swimmers were: Captain, Chad Buford: Don Loomis, Steve Severy, Paul Wienold, Dick Pfeiffer, Wally Manning, Chuck Cummings, Pat Cushing, and the Varsity Divers: Wayne Azmpardi, and Don Vance. Every Varsity school record was smashed this season. We have every right to be proud of our swimmers not only for their League Championship, but also for their exceptional win-loss record, sportsmanship, hard work, and great showing at every meet.

This year the Varsity Swimming Team consisted of, Row 1: D. Pfeiffer, P. Wienold, C. Buford, S. Severy, W. Zampardi. Row 2: P. Cushing, D. Lomis, D. Vance. Row 3: W. Manning, N. Kirby, T. McElligott, S. Endy.

The "Bee" team had a good season, winning seven of their fourteen meets. Steve Hickey led the team in scoring and was undoubtedly the most improved player. Every "Bee" record was broken except the 50 yd. freestyle record, belonging to Don Loomis. It should be pointed out that three of the seven meets lost by the team, were lost by one tenth of a second. The remainder of the Bee team included Leroy Smith, Carl Walper, Captain, Bob Smith, Bob Fuller, Larry Green, Larry Ford, Al Shusko, Price Sloan, Walt Harris and Jim Hanson. Although our Bees split their win-loss record they should be commended on their hard work.

Class Of 1960

JUDEE MENDLESOHN
Secretary

RUTH PETERSON
Treasurer

These seniors attained the high honor of Sealbearers: Row 1: Martha Casas, Barbara Caplette. Row 2: Darlene Rowe, Tom Moore, Valerie Hansen.

Senior Class Cabinets usually have very little to do in the way of small tasks, but are primarily concerned with two major events — planning the Senior Dinner Dance and deciding what gift to present to the school. Representing one of the richest Senior Classes the school has had for some time, the cabinet was able to give the Dance away from the school cafeteria, where it has been held in the past. The cabinet also brought about the vote permitting senior girls to wear white robes at graduation instead of gray as has been done the last few years. Led by Dennis MacDonald, president of the Senior Class, the cabinet, planned these events exceptionally well.

Representing their fellow upper-classmen as members of the Senior Class Cabinet were, Row 1: Mr. David Berry, C. Ishii, B. Vander Heyden, L. Lovekin, L. Wire, F. Jacobsen, B. Caplette, S. Severy, J. Mendlesohn. Row 2: J. Nelson, K. Hirose, D. McMath, H. Hiroto, C. Torske, J. Smith, S. Skupien, L. Berry, M. Oram, R. Phillips. Row 3: B. Thomas, D. Rowe, G. Peterson, J. Jesse, T. Kubiak, E. Durham, D. McDonald, J. Meek, R. Peterson, R. Roberts. Row 4: J. Huebner, K. Severloh, C. Ensign, G. Fields, D. Hofflander, D. Ludolph, B. Barker, J. Cortez, D. Casino, G. Zager, W. Jeu.

Silence reigns for a moment as cabinet members ponder a question.

The Junior Class Cabinet, under the advisorship of Mr. David Berry, and Junior Class President, Pete Roybal, was very active this year. On February 8th they organized a pep rally at which were drawn the names of the boys to play in the Donkey Basketball Game on March 11th which the Cabinet sponsored. Keeping up with tradition the Junior Cabinet successfully sponsored the annual Junior-Senior Prom, held this year at the Green Hotel in Pasadena.

Representing the Junior Class as members of the class cabinet were, Row 1: Mr. David Berry, M. Epp, J. Miller, M. St. George, S. Meyers, R. M. Andres, I. Lasswell, D. Ellis, P. Roybal. Row 2: M. Campbell, J. Gilbert, D. Knowles, R. Holmes, J. Morehead, K. Killackey, C. King, B. Harmon, H. Mueggenburg, R. A. Evenstad. Row 3: J. Nicholson, M. Timrott, G. Skupien, K. Whitefield, G. Angell, M. Leone, J. McClean, C. Grohs, J. Fields.

The Sophomore Class Cabinet prepares to open its meeting with the pledge of allegiance to the flag.

The Sophomore Class Cabinet, a representative group of the Sophomore Class at Rosemead, this year as always planned and carried out many activities and money-making projects. During the school year 1959-1960 these upper-lower classmen raised money by selling Panther Pennants. They also sold snow cones for a while during the year at lunch-time. Another big task undertaken by the Sophomore Class through their cabinet was their traditional co-sponsorship of the annual Freshman-Sophomore Dance. The Sophomore Class Cabinet was under the guidance of the Director of Activities, Mr. David Berry.

The members of the Sophomore Cabinet this year were, Row 1: Mr. Berry, G. Santilli, L. Clausen, D. Schmitt, C. Jessee, M. Noriego, D. Cornaggia, M. Boyer, P. Hallinan, H. Michels, C. McMath. Row 2: J. Golec, S. Emmert, B. Leone, C. Ritchie, M. Reed, B. Hendley, D. Roberts, G. Robinson, J. Brazier, J. Thomas. Row 3: J. McClellan, J. Fischer, P. Lupton, D. Gold, C. Cushing, W. Hasbrouck, D. Hasty, R. Grohs, K. Bryan, S. Skupien, and T. Smith.

Swan Song . . .

As a swan song is the last of an author's work, so shall this be mine. I cannot write it without bringing to mind the many things that I will forever remember, and associate with my year as editor of the Pantherama. I will remember the inevitable crises that arose including cold, numb staff members, the Senior section that almost never was, and deadlines, deadlines, deadlines that without the ever-faithful help of my staff could not have been met.

Thanks and appreciation go deservedly to many persons for the success of this book. I recall the fine assistance given us by Mr. Filloon and the protography staff, Mr. Shaw and the Pantherama Business Staff, J. Edmund Watson Studios, Yearbooks Incorporated of Monrovia, and the S. K. Smith Cover Company. Thanks also go to the Rosemead Chamber of Commerce, Kiwanis Club, Lions Club, and Rotary Club for sending representatives to help judge the Pantherama Queen Contest. I am grateful also to my assistant, my right-hand-man, Nadelle Wilson, and to the staff for helping me hold my temper during crucial moments. Most important of all, and I am sure I speak for the rest of the staff, I thank our wonderful advisor, Mrs. Jeanette Gabel. Lastly, let me add that I hope you, the students, are as proud of this, the 1960 Pantherama, as we are.
